

The Heiskell School

2010 Summer Reading List Rising First Grade

Students entering first grade are encouraged to read age appropriate books throughout the summer in order to maintain and improve their reading skills. In addition, students are to choose five books that they have not previously read from the following list. Many of the books can be found in your local library. The books listed below may be read to your child by an adult, if desired. On **Orientation Day**, each student is to hand in a paper for each book with the title of the book and a drawing illustrating a favorite part of the book.
