

The Heiskell School

2010 Summer Reading List

Sixth Grade

All students entering the sixth grade are required to read five books during the summer. Students are to choose books which they have not read from the following list (one book per author). Many of these books may be found at your local library.

On **Orientation Day**, each student is to hand in a write-up for each book, using the attached format, to the literature teacher. Students may either make copies of the attached form or may write their reports on notebook paper using the same format.
